7. Payment of additional tax.—Where any motor vehicle, in respect of which a tax for any period has been paid, is altered during such period, or proposed to be used during such period in such manner, as to cause the vehicle to become a vehicle in respect of which a higher rate of tax is payable the registered owner or person who is in possession or control of such vehicle shall pay for the unexpired portion of such period since the vehicle is altered or proposed to be used, an additional tax of a sum equal to the difference between the amount of tax payable for such unexpired portion at the higher rate and the rate at which tax was paid before the alteration or use of the vehicle for that portion; and until such additional tax has been paid, the Taxation Authority shall not grant a fresh tax token in respect of a vehicle so altered or proposed to be so used.

8. Liability to pay arrears of tax of persons succeeding to the ownership, possession or control of motor vehicles.—(1) If the tax leviable in respect of any motor vehicle remains unpaid by any person liable for the payment thereof, and such person before having paid the tax has transferred the ownership of such vehicle or has ceased to be in possession or control of such vehicle, the person to whom the ownership of the vehicle has been transferred or the person who has possession or control of such vehicle shall also be liable to pay the said tax to the Taxation Authority.

(2) Nothing contained in this section shall be deemed to effect, the liability to pay the said tax, of the person who has transferred the ownership or has ceased to be in possession or control of such vehicle.

9. Refund of tax.—(1) Where any person, who has paid the tax in advance in respect of a motor vehicle, produces a certificate signed by a Taxation Authority stating that the tax token and the certificate of taxation issued in respect of such vehicle have been surrendered on the date specified in such certificate (herein referred to as "the said date"), such person shall, on an application made in that behalf, and subject to such conditions as the Administrator may notify in this behalf in the *Official Gazette*, be entitled to a refund,—

(ii) in respect of any unexpired portion of a quarter, in accordance with the provisions of clause (b) of this sub-section as if he had paid the tax for that quarter at the quarterly rate;

(b) where the tax has been paid in advance at the quarterly rate, then for each calendar month in the period for which the tax has been paid and which has not commenced on the said date, of a sum equal to one-twelfth of the annual rate of tax leviable in respect of such vehicle.

(2) Where any person has paid the tax in advance in respect of a motor vehicle, he shall be entitled, on the production of a certificate signed by a Taxation Authority stating that an application for the registration of such vehicle has been refused, to be a refund of the tax paid.

person who has possession or control, of the vehicle, a fresh tax token in place of the original token, and shall cause an entry of such refund to be made in the certificate of taxation.

(4) Notwithstanding anything contained in sub-section (1), a person shall be entitled to a refund of the tax as provided in that sub-section on the production of a certificate signed by a Taxation Authority stating that such Authority is satisfied that—

- (a) (i) such person for reasons beyond his control, is not able to surrender the tax token or the certificate of taxation, and
- (ii) the vehicle in respect of which the refund of the tax is being claimed will not be used in any public place during the period for which such refund is claimed; or,

(2) On receipt of such preliminary declaration, and as soon as may be after the commencement of the year, the Taxation Authority shall, on the basis of such declaration, determine the amount of tax to be paid by such fleet owner provisionally, and communicate the same to the fleet owner by issuing a certificate of provisional assessment of tax for the year, in such form as may be prescribed.

(3) The amount of tax provisionally determined under clause (2) shall be paid by the fleet owner to the Taxation Authority within fifteen days from the date of receipt of the certificate of the provisional assessment.
